

## Your individual request to GHE

<b>Date of the request</b>			
<b>Company</b>			
<b>Last Name</b>			
First name			
Street / POB			
Postal code / city			
State / Country			
Telephone			
Telefax			
Email			
Your message			
<b>Location</b>			
Project name			
State / Country			
City / region			
<b>Heights</b>			
Normal gross head		m	
Normal net head		m	
Location above sea level		m+NN	
<b>Discharge</b>			
maximum		m <sup>3</sup> /s during	months per year
normal		m <sup>3</sup> /s during	months per year
minimum		m <sup>3</sup> /s during	months per year
Number of turbines			
<b>Total capacity of plant</b>		kW	
<b>Rervoir</b>	<input type="checkbox"/> existing		
	<input type="checkbox"/> not existing		

## Your individual request to GHE

<b>Weir</b>					
<input type="checkbox"/> no weir	<input type="checkbox"/> weir has to be erected				
<input type="checkbox"/> solid weir crest					
<input type="checkbox"/> movable weir exists					
<b>Flow situation to power plant</b>					
<input type="checkbox"/> still unclear					
<input type="checkbox"/> channel	length		m	width	m
<input type="checkbox"/> pressure pipe	diameter			mm	
<b>Generator</b>					
Type of generator	<input type="checkbox"/> synchronous			<input type="checkbox"/> asynchronous	
Frequenzy		Hz			
Voltage		V			
Mode of operation	<input type="checkbox"/> parallel			<input type="checkbox"/> isolated	
Mains supply		kV			
<b>State of permission process</b>					
<input type="checkbox"/> project in development			<input type="checkbox"/> permission design runs		
<input type="checkbox"/> permission design submitted			<input type="checkbox"/> building permission exists		
<b>Desired services</b>					
Specification					
or mark					
<input type="checkbox"/> turbine			<input type="checkbox"/> generator		
<input type="checkbox"/> automatic control			<input type="checkbox"/> electrical switch gear		
<input type="checkbox"/> transformator					
<input type="checkbox"/> main rack			<input type="checkbox"/> trash rack with trash rack cleaner		
<input type="checkbox"/> flaps			<input type="checkbox"/> gates		
<input type="checkbox"/> overall planning of plant including civil engineering
